Dewey-Burdock is an ongoing consultation that is still open to all 38 tribes, or any other tribe interested, so I will fill it out and send it to Pat.

Thanks!

Valois

Sarah/Valois: on DB, do you think we should hold off until we know if any tribes want further consultation?

Thanks,

Douglas

Folks, please go ahead and use Pat's form to report to him (not me!) all consultations within your program areas by the due date.

Douglas, Colleen, Gwen, Sarah and Ayn – I'll complete this for the FBIR consultation pertaining to NDPES, DW and UIC permitting.

Subject: Request for information and updates:

Good afternoon all:

We have been requested from HQ to obtain from all respective programs, information on our expected/predicted "tribal consultations" for the remaining of the calendar year. Thus, any consultations that have already been initiated or about to initiate in the near future should be submitted. Towards these ends, I have included a form that you can utilize to submit the requested information. I think the form is fairly self-explanatory, but if you have any questions, please do not hesitate to contact me.

I would ask if you can return the filled-out form back to me by April 19th (Wednesday)—it would be greatly appreciated.

Thank you in advance.
